GIRLS' DAY SCHOOL TRUST

Key Stage 2: Acceptable Use Agreement

This Agreement will help keep me safe and help me to be fair to others.

- *I am an online digital learner* – I use the internet and email for schoolwork, homework and other activities to learn and have fun. I only use sites, games and apps that my trusted adults say I can.

- *I am a secure online learner* – I keep my passwords to myself and reset them if anyone finds them out. I don't leave my computer unattended if I am logged on.

- *I am careful online* – I think before I click on links and only download when I know it is safe or has been agreed by trusted adults. I understand that some people might not be who they say they are, so I should be very careful when someone wants to be my friend.

- *I am private online* – Private information is information that could be used to identify me or my friends and family, like addresses, phone numbers, photos or who my friends are. I do not give out private information unless a trusted adult says it's okay.

- *I keep my body to myself online* – I never change what I wear in front of a camera or webcam and remember that my body is mine and mine only. I don't send any photos without checking with a trusted adult.

- *I say no online if I need to* – if I get asked something that makes me worried or upset or just confused, I say no, stop chatting and tell a trusted adult.

- *I am a rule-follower online* – I know that some websites and social networks have age restrictions and I respect this. I only visit sites, games and apps that my trusted adults have agreed to.

- *I am considerate online* – I do not join in with bullying or sharing inappropriate material. I keep others safe by talking to my trusted adults if a friend or person I know is being bullied or harassed or is worried or upset by things they read, watch or hear.

- *I am respectful online* – I do not post, make or share unkind, hurtful or rude messages/comments/photos and tell my trusted adults if I see these.

- *I am part of a community* – I do not make fun of anyone or exclude them because they are different to me. If I see anyone doing this, I tell a trusted adult.

- *I am responsible online* – I don't try to buy things online even if I really, really want them unless my trusted adult helps me.

- *I don't do public live streams on my own* – and only go on a video chat if my trusted adult knows I am doing it and who with.

- *I communicate and collaborate online* – with people I know and have met in real life or that a trusted adult knows about.

- *I am smart online* – I understand that unless I have met people in real life, I can't be sure who someone is online, so if I want to meet someone for the first time, I must always bring a trusted adult with me.

- *I am a creative digital learner online* – I only edit or delete my own digital work and only use other people's with their permission.

- *I am a researcher online* – I use safer search tools approved by my trusted adults. I understand that not everything online can be believed, and know I should verify information I find online.

My trusted adults are:

If I feel I can't talk to them, I know I can call Childline on 0800 1111 or click CEOP.

I have read and understood this agreement.
